# Bookstore Website Administrator Manual

Welcome to the administrator manual for the Bookstore website. This manual provides instructions and guidelines to help you manage and maintain the website efficiently. As an administrator, you have access to various features and settings that allow you to update, organize, and optimize the online bookstore. Let's get started!
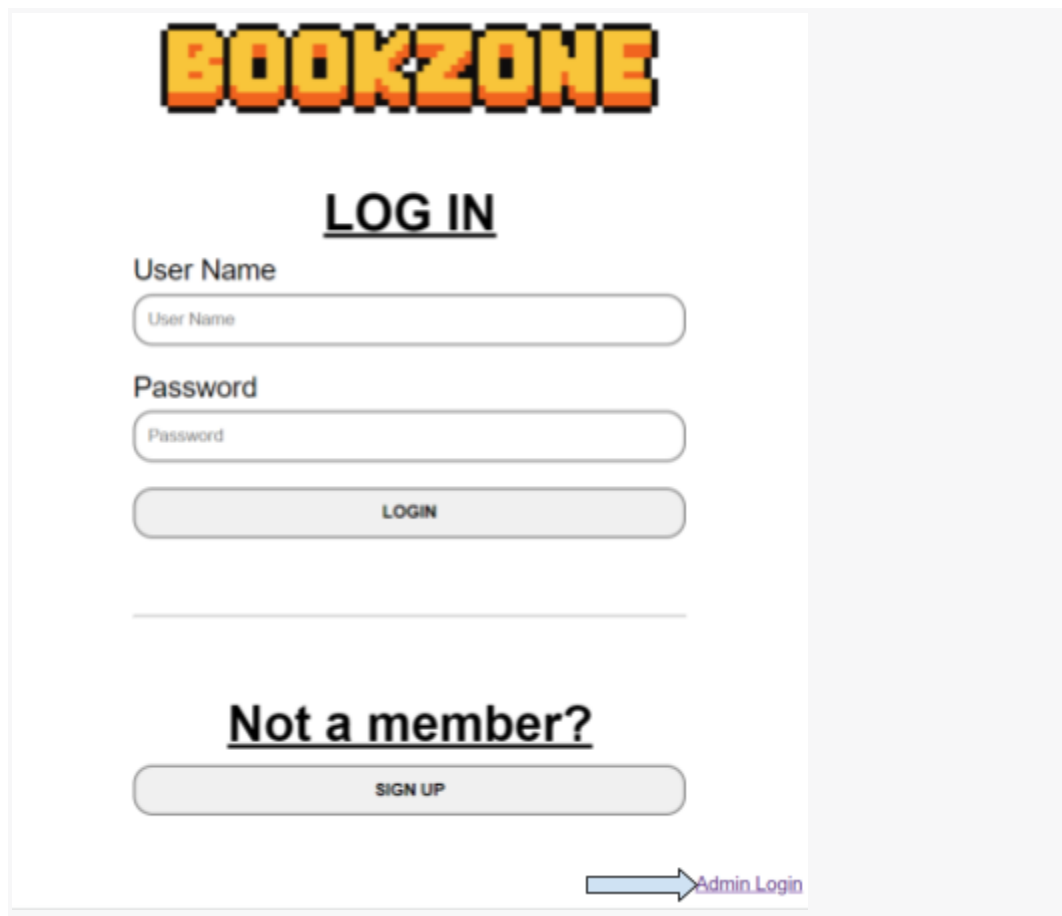

Table of Contents

1. Accessing the Admin Panel:
   - Visit the website's homepage
   - Locate the "Log in" button and click on it.

   - Please locate the "Admin Login" which can be found on the bottom right of the webpage and click on it.

   - Please fill in your username and password to log in into your admin account.
